School Narrative

Team Walton, what an amazing year we've had! We started off celebrating our Texas Education Agency B+ rating for the first time in Walton history! We welcomed three new teachers to the Walton family and started the Houses System with our students and faculty. With the Houses System, our students learn the morals, plans, and values based on the world-renowned Ron Clark Academy. Students spin the wheel and immediately become family with other peers in one of our four houses. Our teachers worked all summer to perfect the craft of teaching with three new curricula: Pre-K with Creative Curriculum, Kindergarten through 5th grade Reading with Amplify, and Kindergarten through 5th grade Math with Eureka! These curricula help to prepare our students to learn and compete on levels with students all over the state and nation!

We want you to know that there are many resources for your family here at Walton. Our campus has a Family Engagement Specialist who can support your family through our on-campus Maudrie Market, offering fresh fruits and vegetables as well as dairy, eggs, and meat each week. We also have the Jet Express Wash and Dry Laundry room. While you wash clothes free of charge, after passing a background check, you may volunteer in your student's class, lunchroom, or recess.

Our Campus Leadership Team, comprised of our Principal, Assistant Principal, Data Analyst, Instructional Coach, Counselor, Interventionist, and CIS Social Worker...
