- Construction Technology
- Dance Education
- Music Education
- Energy Management

**School Narrative**

At Wilmer-Hutchins High School, we equip our students with skills and educational experiences that enable them to become independent thinkers, competent communicators, and well-equipped competitors. A rigorous curriculum with course options to meet the varied needs of our students includes career and technical courses, advanced placement, dual credit, technology, and a collegiate academy. Students in the Wilmer-Hutchins P-Tech can earn up to 60 hours of college credit and an Associate of Science degree in construction technology or energy sustainability or an Associate of Arts degree in Fine Arts education from North Lake College while completing their high school coursework. Wilmer-Hutchins E-TECH will enable students to explore a wide range of career interests in the fields of energy and construction technology. Our school also offers three NAF Academies where students are able to achieve industry certifications in Hospitality and Tourism, Information Technology, and Finance and through the pathways of automotive, construction, and television radio. Our students also enjoy athletics, fine arts, band, cheer, debate, National Honor Society, and a host of other extracurricular programs and activities, including the only Naval JROTC program in Dallas ISD.
