Off to a Great Start

The sounds of learning fill the Academy's halls once again. It's hard to imagine that SJCA is already in its third year. It seems as though our inaugural year was just yesterday. This year, the Academy has welcomed many new faculty members. These individuals joined our established and dedicated group of returning teachers and staff who have a passion for classical education. The Academy is thankful to each person who helped us launch the year. Although we are only in the third week, SJCA has already hosted Teacher Meet-and-Greets, a parent volunteer meeting, a Boo-Hoo Breakfast for kindergarten parents, an Upper School assembly, and Open House. Our teachers have been busy preparing for the first semester by planning for academics, sports, after-school clubs, and other events. We are moving full-steam ahead and are anxious to settle into the routine and pace of the academic year.

A Letter from the SJCA Board

Greetings to SJCA Lion Families,

The school year is off to a great start as SJCA enjoys the best school year opening in our 'history'! A special thank you to our leadership team: Ms. Meredith (Director of Operations), Mrs. O'Neal (Assistant Principal), and Mrs. Satcher (Dean of Curriculum and Instruction). They have been working many hours, including evenings and weekends, with a very heavy workload to ensure the start of this school year was a success.

Other areas we are working on include searching for a new Headmaster for our school, continuing to address the safety of our campus, and compiling the results of our parent safety survey.

Identifying the future Headmaster for St. Johns Classical Academy is closer this month than last! Your governing board has been very diligent in making the search a priority and has reviewed a considerable number of resumes and interviews in we pursuit of the best candidate for this important position. Over the next few years, the new Headmaster of SJCA will be tasked with completing our upper school offerings (ie. dual enrollment), leading the accreditation process to meet our goal of being accredited within the next two years, and leading the renewal of our charter with the Clay County School District. It is a very tall order that requires the ideal candidate to meet the qualifications and expectations for the future of SJCA. As we continue this important process, we will be sure to keep you posted.

The safety and security of our scholars and staff is a responsibility that weighs heavily on your governing board. The dramatic changes in violence in our society and the vulnerabilities of school campuses have brought about decisions and expectations that we are trying to stay up to date on. Superintendent Davis of the Clay County School District gave many comments on the need for voters to pass an increase in property taxes to help the district meet a state legislative mandate to require school safety officers on campuses, and he repeatedly included the "two charter school campuses" in his comments.

In late May or early June, the SJCA board president called Mr. Davis to ask about the plan for our campus. Superintendent Davis commented that it was out of his hands and the school board would be voting on how the \$10,000,000 would be spent to cover district campuses. He was then asked if he would be recommending coverage to the board, to which he replied, "...it is up to the school board." The CCSB voted on coverage recommended by Superintendent Davis and SJCA was not included in the planned funding.

Letter continued on page 3

Letter continued from page 2

It is important that SJCA parents have a unified voice to present to the school district what their expectations are for the safety of their children. You each received an email providing three different options, a CCSD police officer, a CCSO deputy, or a school guardian. The responses were:

18.32% CCSD police officer

72.25% CCSO deputy

9.42% school guardian

The request will be made on your behalf at the Clay County monthly school board meeting on **September 5th at 6 p.m.** The meeting location is the teacher training center (usual meeting location) on the campus of Fleming Island High School. The district has the funding and SJCA is turning over the security stipend we receive from the State to contribute our portion for a school safety officer. Now is the time to let the school board and Superintendent know you are informed that SJCA is a Clay County public school and the lives on our campus are no less valuable than those on any other county public school campus.

What you can do:

1. Contact the School Board: <https://www.oneclay.net/domain/5049>
2. Contact Superintendent Davis's office: 904-336-6505
3. **Attend and speak** at the September 5th school board meeting. This item will likely not be discussed until after 7 p.m.

Official Facebook Parent Group

The SJCA Official Parent Group launched this summer. The administrator is the board-appointed parent liaison, Natasha Bull. The Official Parent Group serves as a direct line of communication to the administration of the school via the parent liaison and is a center of knowledge to help educate individuals about classical education. It is an open forum for parents of scholars to have dialogue regarding any questions or concerns pertaining to the school. Mrs. Bull can also be reached via email: parent.help@stjca.org.

Focus Account Issues

Scholar Accounts: If your scholar is unable to log-in to his/her Focus account, please use the student number as the username. The password is Student1. He/she will then be prompted to change the password.

Parent Accounts: Please see a PDF version of the directions at the end of the newsletter for assistance. For additional help, contact Amy Phillips, the front desk secretary:
amy.phillips@stjca.org.

School Lunch

Scholars and staff are enjoying the new lunch program offered at SJCA. Turn Around Solutions Catering has been working with the Academy and parents to continually grow the lunch options provided to scholars. The September menu was sent to parents via email last week. It is also included at the end of The Lion Line and on the lunch payment website.

Parents must preorder lunches. Specifically, this means that if your scholar intends on eating at school, orders must be placed online by 3 a.m. The ability to order either cheese or pepperoni pizza on Fridays has been added to the website. You now have the option of ordering up to three extra pieces of pizza. The vendor purchases pizza from *Little Caesars* based on the quantity of preorders; therefore, you must place orders online if your scholar wants pizza on Fridays. Chicken nuggets or corndogs will be offered to scholars who do not preorder pizza on Fridays.

Until recently, only credit card payments were accepted via the lunch website. A \$1.95 credit card convenience fee was added to payments. To avoid this charge, Turn Around Solutions has agreed to accept cash payment and will apply it to your scholar's account.

If you need assistance with lunch, please call the front desk at 458-8240 ext. 2102, and Mrs. Phillips will transfer your call to the cafeteria.

In summary, the important thing to remember about lunch, is it must be preordered. We appreciate your cooperation.

Afternoon Check-Out

The cut-off time for checking out early is 2:00 p.m. on regular days and 12:00 p.m. on Wednesdays. When scheduling appointments for scholars, please keep this in mind.

AmazonSmile

SJCA earned \$41.22 from the AmazonSmile Foundation as a result of program activity between April 1st and June 30th. Thank you to those individuals when purchasing from Amazon who use the AmazonSmile link. Every little bit helps the Academy.

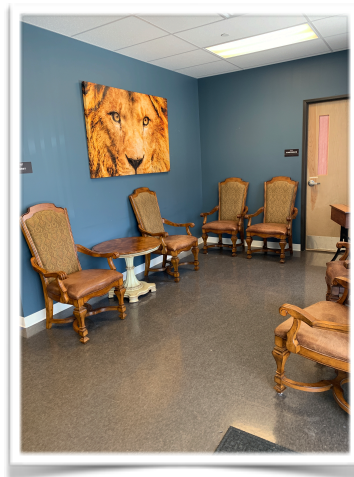

Shop at <http://smile.amazon.com/ch/81-2606245> and AmazonSmile donates to St Johns Classical Academy!

Junque in the Trunk

Local retailer, Junque in the Trunk, recently decorated our lobby in the front office. Each of our hallways will soon be named in honor of a historical American figure or one of the SJCA virtues. Be on the lookout for these unique street signs created by Junque in the Trunk in the near future. The Academy extends its deepest gratitude to Junque in the Trunk for helping to beautify our building.

Lower School Car Line

Thank you for your patience during after school dismissal. We are continually working to improve the flow and speed of car line. Here are a few tips to help assist us:

- Please make sure scholars know their number. Remind your scholar to be listening and looking for their number on the board while waiting in the cafeteria.
- All scholars will be loaded on the right side of the vehicle.
- If you are still waiting for your scholar, pull up carefully as far as you can and stay to the right.
- Hang your car sign on the passenger visor. Have the number down and visible while you wait and then flip the visor up to show us you have your scholar and are ready to go.
- We appreciate all the parents who moved their scholar's car seat to the right side of the vehicle. If your scholar needs help buckling their car seat, please pull ahead and park in the visitor lot before getting out to help.
- Make sure your scholar knows how they are getting home and what their vehicle looks like. They should also be watching for your car while they are outside.

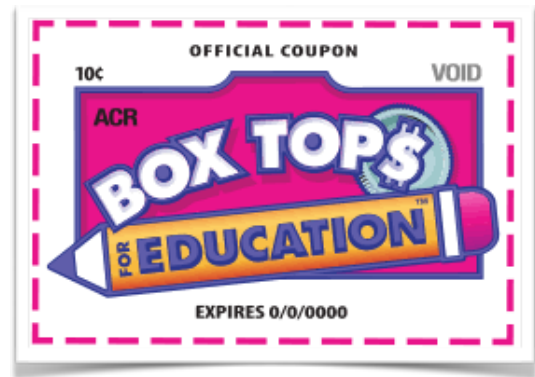

Arriving and Departing Scholar Safety

Our traffic pattern has done an excellent job of eliminating most of the turns onto Canova from CR220 during drop-off and pick-up; however, we remain concerned about the speed of the traffic for our walkers who cross CR220. SJCA has requested a review by the Clay County Sheriff's Department to see if the Academy qualifies for a crossing guard at CR220 and Canova as well as a school zone designation to slow speed limits during the morning and afternoon. There will be an on-site survey/meeting to gather data on these two safety requests on Thursday, August 29th.

-SJCA Governing Board

Spirit Day Dress Code

SJCA Spirit Days will be on the last Friday of the month. Scholars may wear a school spirit t-shirt with jeans or shorts to the knee. Jeans may not have any rips or tears. Scholars may wear their choice of shoes *except for flip flops*. Spirit Days are a school-wide fundraiser. The funds will be deposited into the SJCA general account and will be used to purchase items the Academy needs. The cost to participate in Spirit Days is \$2 per scholar. Participation is optional. If your scholar does not choose to participate, he/she must wear normal uniform attire. Although the Academy prefers payment to be made online, we will accept cash payments. Click here to pay via PayPal on the SJCA website: <http://stjca.org/spirit-day-payments/>.

Box Tops for Education

Start collecting Box Tops for Education! This year, every penny collected will be used to build out and beautify the upper school courtyard. The fall Box Top campaign kicks off on September 16th and runs through November 1st. Our goal is to earn \$5,000. In order to meet this goal, we need your help. Look for the Box Top flyers at the end of this month's newsletter specifying ways you and your extended family can work together to directly impact our scholars in a positive way.

Health Care Room

Children with life-threatening conditions should have an Emergency Action Plan (EAP). In order for the nurse to implement the EAP, she needs a health questionnaire completed by a parent/guardian. She will then email you or send the forms that need to be completed and signed by your scholar's physician. These forms are required from Clay County District Schools and the Florida Department of Health.

- Scholars cannot carry medications unless a parent has completed a Parental Authorization for Administration of Medicine/Medication Administration Record (PAMM/MAR) that is signed by both the parent and physician. If your scholar does carry medication, it has to be checked-in at the health room and needs have a label from the pharmacy with your scholar's name on it. This applies to both prescription and over-the-counter (OTC) medication.
- All OTC medications that need to be administered at school need a physician's order or prescription. Instructions for the administration of OTC medication that are in hospital discharge paperwork or written on the medical management plan are acceptable along with a signature on the PAAM. In this instance, a signature is not needed from the health care provider. The OTC medication must be delivered to SCJA by a parent in the original container, be age appropriate, and be within the current expiration date.
- Each child, including siblings, that receives medication, including OTC, must have their own supply of medication as prescribed by the healthcare provider.
- Cough drops may be administered in school with a completed PAAM Form with parental authorization. Cough drops must be delivered by the parent or guardian in an unopened, non-expired package. They will be stored in the health room.
- ChapStick can be carried by a student without a PAAM.
- All medications have to be counted and signed by the parent/guardian and the health room staff.

- Medications and health forms can be checked-in between 7:15 and 3:00 unless prior arrangements have been made with the nurse. The best time to see the nurse is during early morning hours. Otherwise, you may have to wait while she attends to scholars.

Influenza Vaccines

Healthy Schools will be here on October 10th to administer **optional** flu vaccinations to scholars. If you are interested in having your child vaccinated, be sure to register through Caredox. If you have any questions or concerns, please email the nurse: gretchen.schild-ellgren@stjca.org.

Health Room Volunteer Opportunities

The Academy will need parent volunteers to assist with flu shots and health screening. If you are interested in volunteering for one or both of these dates, please email Amy Phillips: amy.phillips@stjca.org.

- Healthy Schools will be administering influenza vaccines on October 10, 2019.
- The Department of Health will be on campus on October 25, 2019 to conduct health screenings.

Upper School Notes

Homework in Upper School

The first two weeks of the new school year have been packed full of new procedures, new friends, and new experiences. Now that we are moving into the middle of the first quarter, scholars should be adjusted to the policies and culture of our Academy and settled into the rhythms of their classes. Having chosen to send your child to SJCA, you understand the importance of the rigorous curriculum and rich education they are receiving. Please understand that they will have studying, reading, and/or homework to do regularly. They will need time and a quiet place to focus on their studies. Your scholar will need your support to be successful in their classes. Here are a few tips to help them have a smooth and successful year:

1. Make sure that your scholar has a planner and understands how to use it properly.
2. Help your scholar learn to manage their time by **allotting a portion of each day to studying, reading, and homework. Scholars should be reviewing notes from each class every night.** This ensures that Scholars are not “cramming” for a test the night before.
3. Provide your scholar with a quiet atmosphere in which they can focus on their studies.
4. Ask them about their classes and the books they are reading.
5. Encourage them to reach out to their teachers if they have trouble with their work at home and to be proactive when they need help.

Adjusting to a new school environment—especially for those coming into Middle School for the first time—is a challenge. However, with support from both faculty and parents, we know our scholars will rise to the occasion. We look forward to a wonderful year.

Upper School Attendance

Attendance is key to success in school. Numerous studies have shown that student achievement is directly tied to school attendance; in fact, attendance is cited in many studies as a “building block” or a “basic condition” for student success. Students who are not physically present in class are not receiving instruction, and they miss out on the learning opportunities that come when they can comment on their thoughts, ask questions, and listen to discussion. Students who are absent from class cannot be as successful in learning new material as those who are present. We encourage you to make daily school attendance a priority and to discuss with your children the importance of being present.

Upper School Policies

Please make sure you are aware of our uniform policies, our storage policies, and our conduct policies. Uniform referrals and infractions are being given out. If you have questions please contact Ms. Turner: danielle.turner@stjca.org.

National Honor Society

The **National Honor Society (NHS)** is an organization dedicated to recognizing and encouraging outstanding high school students in grades 10-12. NHS membership is by selection-only at the school level. Students in grades 10-12 who meet the requirements for membership outlined by their school's chapter are eligible to be invited for membership. Once inducted, members participate in a wide variety of local and regional opportunities to expand their leadership and are called to serve as role models in valuing the mindsets and actions related to the following four pillars:

- *Scholarship:* Per national guidelines, at a minimum, students must have a cumulative GPA of 85, B, 3.0 on a 4.0 scale, or equivalent standard of excellence.
- *Service:* This involves voluntary contributions made by a student to the school or community, done without compensation.
- *Leadership:* Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- *Character:* The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. All questions should be directed to Ms. Cosme: anamaria.cosme@stjca.org.

National Junior Honor Society

NJHS will start appointing our first officers in the weeks to come. We are very excited to start making a difference at our school and our community. 7th graders that are interested in becoming members have to maintain a 3.5 GPA for the year and follow our virtues as well. Induction for future members is held in the spring.

District College Night

Clay County District Schools will be hosting a *District College Night*. Over 70 different colleges and technical skills will be in attendance. The Academy encourages our upper school scholars to check out this event to learn more about these schools. *District College Night* will be held at Middleburg High School on September 5, 2019 from 6:30 p.m. - 8:00 p.m.

Flag Football

Flag football will be one Friday per month from 3:00-4:30 where captains will pick teams and have fun, informal scrimmages. Scholars and parents are encouraged to come out, socialize, and enjoy the outdoors together. There will be one large event later in the semester, the date of which is TBD. The current Fridays are: Sept. 20, Oct. 11, Nov. 1, Dec. 6

If your scholar is interested in being a captain, please have them come by Mrs. Glod's classroom (202) to put their name on the list. Boys and girls in grades 7-10 are welcome!

Tone Savvy

Mr. Clarke has subscribed to the website, Tone Savvy. This website allows him to create customized assignments for scholars. Please ensure that your scholar is practicing using the Tone Savvy website or app. Tone Savvy comes with exercises ranging from extremely basic concepts of naming notes on a staff to collegiate concepts of relationship species counterpoint. To the non-musical, this is comparative to having math software to practice weekly that ranges in difficulty from simple addition to differential equations of functions that will also help the student in giving them the reasoning of how he/she missed an answer to a question and why.

We encourage parents to try it out by visiting the website: <https://tonesavvy.com/music-practice-exercises/>.

Mr. Clark will be sharing the data from the Tone Savvy website with Ms. Smith as well.

Upper School Chorus

Ms. Smith will be offering Upper School Chorus and Honors Choir as an after-school activities. The days and times will be announced in the near future. If you have questions, please contact Ms. Smith: brooke.smith@stjca.org.

Dear SJCA Latin Scholar,

Are you interested in Ancient Greece and Rome? Do you like to participate in academic competitions? Are you itching to share your creative abilities? Do you want to show off your athleticism? Are you looking for a fun place to make friends and memories? Do you need leadership opportunities for college applications? Are you searching for a fun activity or group?

If you answered “Yes” to any of the above, come out and join Latin Club.

Latin Club is open to all Latin students in Seventh Grade and above. As a member of Latin Club you will hold state and national memberships in the Junior Classical League, a worldwide organization of Latin and Greek scholars. You will be eligible to participate in Regional, State, and National Latin Fora, competitions during which students showcase their academic, creative, and athletic abilities. Students will study topics of interest related to the Ancient World, which encompasses Ancient Greece and Rome. Latin competitions offer a variety of academic and creative contests including tests, art projects, public speaking, and even an academic buzzer competition. There truly is an activity for every student. At the local level, the club will hold weekly Study Parties, where students can explore their interests and connect with other students who have the same passions. Students can participate in leadership opportunities at the local, state, and national level. By participating in Regional, State, and National Fora, scholars will build relationships with Latin students across the United States. Students will also be able to participate in national examinations, including the National Latin Exam. Scholars who join Latin Club may also be eligible for induction in the Latin National Honor Society.

Latin Club is great for building your college application resume, making friends, and getting involved with the school. Our meetings will be on Fridays from 2:30-3:30 in room 203. The first meeting will be on August 30. I look forward to seeing you there.

On the Horizon for Upper School

Parent Volunteers for Athletics

The Academy would like to offer the following athletic options for junior high and high school students, but we are in need of coaches. **For the 2019-2020 school year, we are in need of parent volunteers to coach track, basketball, and golf.** We are looking for dedicated individuals to fill these spots A.S.A.P so that scholars can participate during the 2019-2020 season. Please email Coach Patterson: hannah.patterson@stjca.org.

Mrs. Glod is also looking for parent volunteers. These individuals will be responsible for monitoring scholars and selling concessions. Email ellen.glod@stjca.org if you are interested in helping with flag football.

Athletics in the Future

SJCA wants to add the following athletic options to the Academy:

- Swim team
- Golf team
- High school volleyball
- Basketball
- Soccer
- Cross country

We need your help. If you'd like to coach any of these sports in the spring or next school year, please email: hannah.patterson@stjca.org. We want to start planning for these events early so the scholars can participate next year.

The Lion Line

More Clubs

In addition to athletic offerings, the Academy is planning to add the following clubs. More information will be available in the future.

- Academic Team
Faculty Sponsor: Mrs. Casteel
- CREW (open to 6th - 9th graders) please contact: outreach@riverchristian.church or 904-318-6364
- Student 2 Student: Student ambassadors for new scholars.
- MuAlphaTheta
- Robotics
- National Art Honor Society
Faculty Sponsor: Wade Ross

Field Trips

SJCA desires to make each year in the upper school a special one for our scholars. We've started to discuss special field trips that will be offered at year's end for each grade level. This trip will give scholars something to look forward to at the end of each of year as they progress through the upper school. More information will be provided in the future.

January 2020

We will be selecting class officers to establish traditions and activities for each high school grade. More information to come. Stay tuned.

In next month's edition of The Lion Line, we'll be answering questions about the BCSI literacy program, Literacy Essentials.

Scholar Uniform and Dress Code Policies

Uniforms and Grooming

Uniform guidelines can be found at the end of the handbook. At St. Johns Classical Academy, scholars wear uniforms to eliminate distractions, to level the playing field, and to remind ourselves that we are doing important work.

The spirit of the uniform policy is that scholars will dress and groom themselves in a manner that it is traditional, not obstructive, and not distracting.

Scholars must be in uniform in order to attend class. Any scholar not in uniform will be sent to the office to call their parent or guardian and they will also receive a level 1 dress code referral. A level 1 referral will not stay on their permanent record but receiving more than 4 referrals may result in dismissal from the Academy.

Scholars will dress according to the mandatory and optional items listed on the Board-approved uniform policy for boys and girls, respectively, plus the following series of directives. All uniform criteria are listed on the St. Johns Classical Academy website.

Scholars may wear their own outerwear (coats, sweaters, vests) outside of the school building and on the playground. If they are cold in the classroom, they should wear one of the long sleeve uniform items, or one of the uniform outerwear items.

- All scholars must be in uniform at all times (unless approved by administration). No other clothing other than uniform tops and bottoms are permitted. No outside tops, jeans, bottoms, or outerwear are permitted in the building.
- Shoes and belts are to be completely black or completely brown.
- PE uniform guidelines will be posted on the school website.
- All shirts must be tucked in at all times.
- Skirts and shorts shall fall no higher than the top of the knee as measured when the scholar is standing. Pants must not be too tight.
- Scholars may use any backpack as long as it is clean and tasteful.
- Hair must be clean, neat, and styled traditionally. Only natural colors are allowed. Neat bows, barrettes, headbands, and "scrunchies" are permissible so long as they coordinate with the uniform (white, blue, yellow or light blue) and are smaller than 2" in diameter. Hair must be natural looking and conservative in its color and style (no feathers or threads, bleaching or unnatural streaking/highlighting, no deep/bright reds or oranges, no artificial jet-black coloring, and no unnatural colors)
- All girls' and boys' polo shirts may have the top button unbuttoned. All other buttons must be buttoned.

Scholar Uniform and Dress Code Policies, Continued

Uniforms and Grooming, continued

- Modest jewelry is allowed including a watch or one small necklace limited in length to the neckline so that it will not get caught on anything and become a hazard. An object that has a purpose other than jewelry cannot be worn as jewelry (i.e. chains or collars). Girls may wear two earrings per ear on the earlobe, and the earrings must not be larger than a dime. No stretched piercings (gauge) or holes may be visible. Boys will not be permitted to wear earrings.
- Tattoos must be covered at all times.
- Makeup must look natural and is not permitted in grades K-6.
- Nail Polish: Girls may wear light colors (No dark or neon colors) or clear nail polish.
- No hats or sunglasses in class. Hats include visors and bandanas. Religious headgear is authorized.
- Good personal hygiene is required at all times. This includes wearing neat, clean clothing. Strong/offensive body odors or excessive use of perfumes or cologne are inappropriate.
- Should a scholar require reasonable uniform alterations based on religion, disability, or medical condition, please contact administration.
- All items should be labeled with scholar's first and last name.
- Lost and Found- Located in the upstairs hallways and the cafetorium. It is the scholar's/parent's responsibility to search for items in these areas. These items are donated quarterly.

Toileting

All scholars of St. Johns Classical Academy must be independent in toileting unless there is a documented medical condition. On occasion, scholars may have "accidents." When an "accident" occurs, it is the responsibility of the parent to assist the child and to provide clean clothing.

If there are repeated "accidents," a meeting with the parents and the Assistant Principal will be held to evaluate the situation. Appropriate action will be taken based on what is in the best interest of all scholars and the school.

Any scholar that is uncomfortable using a group bathroom may request of their teacher to use a designated private restroom. A private restroom is available in the SJCA clinic.

Uniforms and Financial Assistance

The school will not allow financial need to limit access to St. Johns Classical Academy, and this includes access to uniforms. At minimum, the Academy will facilitate the use of SJCA's used uniform exchange.

Used Uniform Store

When it is practicable, the school will facilitate a used uniform store/exchange.

2019-2020 **EVERYDAY UNIFORM** REQUIREMENTS

Focus Parent Portal Registration Directions

Please Note: FOCUS is designed to work in Google’s Chrome web browser, while it usually works in other browsers like Apple’s Safari or Mozilla’s Firefox, it will not work in Microsoft’s Internet Explorer.

For Parents that Do Not Have an Account

1. To register for a Focus parent account, use the registration site listed below:
<https://focus.oneclay.net/focus/auth/>
2. Click on the link I DO NOT have an Account Registered on the Parent Portal, but my child is Actively Enrolled.
3. Focus will ask the following basic questions needed for registration. Complete those questions and click Submit. ***Remember to make a note of your password.***

A registration form titled "Please enter your name exactly as it appears on your driver's license as well as a valid email address:". It contains five input fields: "Parent/Guardian First Name:" (Required), "Parent/Guardian Last Name:" (Required), "Email Address:" (Required), "Create Password:" (Minimum 8 characters), and "Retype Password:" (Required). Below the fields is a checkbox labeled "I'm not a robot" and a reCAPTCHA logo. A "Submit" button is at the bottom.

4. Click on “I would like to ADD ANOTHER CHILD who is already enrolled”
5. Now complete the following information for the student. Click Add Student.

A form titled "Please enter your student's information:". It contains three input fields: "Student ID:" (Required), "Student's Birthdate:" (Required), and "Add Student" button. The birthdate field has dropdown menus for month (January), day (1), and year (2019). Below the form is a link: "[Return to the Student listing.]".

6. After completing those steps you will see a quick summary of the information for the student that access is being requested for.
7. You can add an additional student or you can finish adding students and create the account.

A box containing two links: "[I would like to ADD ANOTHER CHILD who is already enrolled.]" and "[I am FINISHED adding students. Please take me to the Portal.]".

8. Once completed you will be taken to the Parent Portal. This message will be visible in the Alert Field.

An alert message box titled "Alerts - Since you last logged in:". The message reads: "Wait! You have linked a new student and have 1 more step to see your child's information. Your account is active, but you must visit your child's school to verify your identity before you can see your child's information."

A parent who is registering a student for the first time must come into the school and present identification as well as present a signed authorization form before access can be granted.

The Parent account will not be connected to the student until you have visited your child’s school and shown your identification. This is a two-step process and the school is the second step in connecting you with your student(s).

For Parents that Already Have an Account but Need to Add a Child

1. Go to the Focus Parent Authorization Site: <https://focus.oneclay.net/focus/auth/>
2. Click on “I have an account registered on the parent portal but would like to add a child” link.
3. Login using the parent User ID and Password.
4. Now complete the following information for the student. Click Add Student.

A form titled "Please enter your student's information:". It contains three input fields: "Student ID:" (Required), "Student's Birthdate:" (Required), and "Add Student" button. FACTS OF LICE

1

Head lice do not fly, jump, or swim.

2

Head lice infestations happen with direct head-to-head contact. It is **extremely** rare to get head lice any other way. Less than 2% of head lice comes from the environment

4

An adult female louse can lay over 100 eggs in her lifetime which, on average, is 30 days.

5

A head lice infestation is **not** an indication of poor hygiene. Having clean hair or dirty hair doesn't influence if you get lice, it's just bad luck!

6

Once one person in a household gets lice, there is a significant chance that someone else will become infested.

7

Head lice are not dangerous! They do not carry or spread any diseases. They are just a nuisance.

LICE IN YOUR HOME:

WHAT YOU
NEED TO KNOW

HEAD LICE! IN YOUR HOME!

Before you run for cleaning products, here are some things you need to know. Head lice infestations almost always occur through direct head-to-head contact, but there is a miniscule chance that you could be exposed from a pillowcase.

IT'S NOTHING TO DREAD, LICE ONLY LOVE YOUR HEAD

You don't have to worry about delousing any other parts of your home. Scientific studies have shown it is **extremely rare** for lice to be on carpets, furniture, brushes or combs. Even if they were, they would be nearly incapable of getting back on a head.

That said, if it gives you more peace of mind, you can always vacuum and/or use a sticky lint roller on sofas, chairs and carpets. You can place combs, hairbrushes and ponytail holders in a plastic baggie and leave them in the freezer overnight. This is not necessary, but it's easy to do if it makes you feel better.

Head lice do not live on stuffed toys or your pets. No need to put toys in a bag in the garage for weeks, and you don't need to wrestle your pets into the bathtub. There is no need to use any bug bombs or sprays that claim to kill lice on your pets, or in your home. They are not necessary and many are toxic and ineffective.
