Re-Opening:
Based on guidance from local health officials, all YES Prep students will now continue learning online through **Sept. 25**. For those who choose in-person learning, we are planning a phased-in campus reopening—as conditions permit—starting **Monday, September 28**, with elementary and a limited number of students in 6th through 12th grades. Students in grades 6 through 12 who have special needs or require additional support can also begin in-person learning on Sept. 28.

All families should complete the YES Prep Program Survey found in the Skyward Family Portal in order to select the preferred program option for their student. (If you do not have access to Skyward, please email skyward@yesprep.org.) The survey will open on Friday, September 11 and will close for different groups of students at different times. Le recomendamos encarecidamente que visite <https://www.yesprep.org/reignited> para obtener información sobre las fechas de la fase de reapertura, las preguntas más frecuentes y los recursos sobre cómo buscará la reapertura para las familias.

Re-Opening:

Según la orientación de los funcionarios de salud locales mientras preparamos las escuelas para el regreso de los estudiantes, todos los estudiantes de YES Prep continuarán aprendiendo en línea hasta **el 25 de septiembre**. Para los que eligieron el aprendizaje en persona, estamos planeando una reapertura gradual de las escuelas, según lo permitan las condiciones, a partir **del lunes 28 de septiembre**, con estudiantes de primaria y un número limitado de estudiantes de 6º a 12º grado. Los estudiantes en los grados 6 al 12 que tengan necesidades especiales o requieran apoyo adicional también pueden comenzar el aprendizaje en persona el 28 de septiembre.

Todas las familias deben completar la encuesta del programa YES Prep que se encuentra en el portal familiar de Skyward para seleccionar la opción de programa preferida para su estudiante. (Si no tiene acceso a Skyward, envíe un correo electrónico a skyward@yesprep.org). La encuesta se abrirá el viernes 11 de septiembre y se cerrará para diferentes grupos de estudiantes en diferentes horarios. Para más detalles, haga clic aquí: bit.ly/YESProgramSurvey
